## 45° BOGENSTÜCK

| Kat. Nr. | Größe  |
|----------|--------|
| 803621   | 1/2"   |
| 803626   | 5/8"   |
| 803634   | 7/8"   |
| 803644   | 1 1/8" |

**TYP 206-2-2**  
Verbindung: FTG x FTG

Abmessungen und Abweichungen gemäß ASME B16.22

The image shows a photograph of a copper-colored 45-degree elbow fitting on the left and a technical line drawing of the same fitting on the right. The drawing shows the profile of the pipe with a dashed line indicating the centerline of the bend. The text 'TYP 206-2-2' and 'Verbindung: FTG x FTG' is positioned to the left of the drawings, and the reference to ASME B16.22 is at the bottom right.
